# LEARNING AT THE SPEED OF **Raffles**

OCTOBER

JULY

APRIL

JANUARY

Students are given the flexibility to commence their studies at a time convenient for them: in **January, April, July** and **October**.

Graduates can also choose to embark on their professional career at any one of the four windows.

This not only maximises their employment prospects, but also allows them to better serve the ongoing human resource needs of industries.

This is the advantage of learning at the speed of **Raffles**.

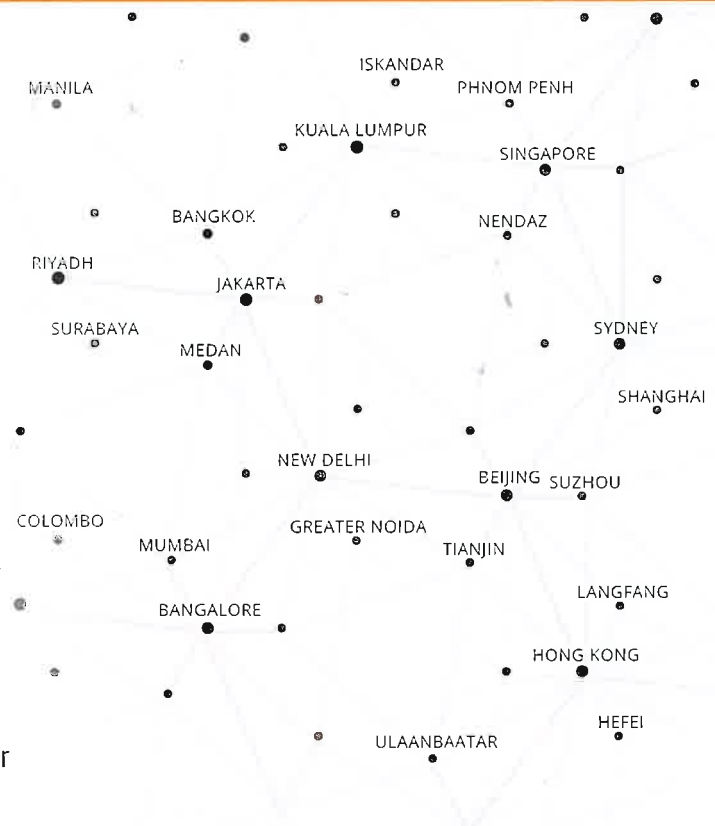

## **Raffles** GLOBAL ADVANTAGE

**30** COLLEGES  
**29** CITIES  
**13** COUNTRIES

Since establishing its first college in Singapore in 1990, Raffles has grown to operate 30 colleges and universities in 29 cities across 13 countries.

Our flexible inter-school transfer scheme allows students to study at any of Raffles' network of colleges and universities, immerse themselves in different cultures and experience living overseas.

Students who are enrolled in Raffles benefit from a quality education with a well-rounded hands-on experience relevant to the industry. This enables them to improve their career opportunities.
